23 I, Tony Jason Harmse, declare as follows:

24 1. I am an adult male, working as the responsible person for Southern Arms,
25 located at 70 5th Street, Wynberg, South Africa.

26 2. On May 2, 2018, I received an email from Haley C. Gindhart of the United
27 States Department of State requesting to conduct a pre-license end-use inquiry on a
28 State Department license. In her email, Gindhart requested a May 14, 2018 visit and
she attached information on the Blue Lantern program, which listed certain
documentation requested upon on her arrival. I immediately responded to Gindhart
and confirmed the May 14, 2018 visit.

1 3. On May 3, 2018, Gindhart sent another email confirming Southern Arms'
2 physical address and the date and time scheduled for the visit. I immediately
3 responded, confirming our address and the date and time scheduled for our meeting.
4 Later that day, Gindhart sent another email requesting to move the visit from May 14
5 to May 15. I immediately responded, confirming the new date.

6 4. On May 14, 2018, I sent Gindhart an email confirming the date and time
7 of our appointment. Gindhart responded that she had to postpone the visit once again
8 and that she would reach out to me to reschedule.

9 5. From May 14 to July 27, 2018, I attempted to contact Gindhart by phone
10 and email on multiple occasions, but she never responded.

11 6. Copies of emails between Gindhart and me are attached to this
12 declaration.

13 7. To date, Southern Arms has not received any further communication
14 from the United States Department about scheduling a Blue Lantern visit.

16 FURTHER AFFIANT SAYETH NOT.

Hi TJ,

Is there any way you can do Tuesday, May 15th at 11:00 instead of Monday? I apologize for the change – but want to make sure I'm not rushed with other meetings at the Embassy.

Thank you,

Haley

Hi TJ,

Thanks for your quick reply. I have Southern Arms' address as 70 5th St. Wynburg, Johannesburg – is that still correct? Would 11:00 work on May 14th?

Thank you,

Haley

Company Visit Preparation

The U.S. Department of State regulates the export, temporary import, and brokering of U.S. defense articles and defense services pursuant to the Arms Export Control Act and the International Traffic in Arms Regulations (ITAR), the federal regulations which implement the law. The Department is also responsible for civil compliance with the law and regulations.

The Blue Lantern Program is an end-use monitoring program for U.S. defense articles and defense services identified on the United States Munitions List (USML) and exported via commercial channels under licenses issued by the United States Department of State. The purpose of the program is to assure the security of authorized transfers of sensitive military hardware and technology to U.S. friends and allies by monitoring and confirming the end-user and end-use; deterring and preventing diversions of U.S. arms exports; disrupting illicit supply networks; and assisting State Department officials in making informed decisions when reviewing license requests.

We request a meeting with individuals in your company who are involved with the purchase, handling, and control of U.S. defense articles. Company representatives should be prepared to discuss and provide documentation on the following topics:

2. Business Activities
 - a. The types of business activities in which the company is involved. For example, maintenance, repair, manufacturing, integration or other services such as marketing.
 - b. Customers - government or commercial, military and civilian, domestic and foreign. Review and vetting of potential customers to determine their general bona fides or legitimacy.
 - c. ITAR-related activities: U.S. defense articles or technology the company receives, volume (quantity or dollar value), other defense activities (e.g., brokering).
 - d. Employment policy and identification of citizenship or nationality. Employment of individuals from another country or with dual citizenship or nationality and their involvement with U.S. defense articles and technology.

3. Knowledge of the ITAR

- a. ITAR training.
- b. Designated ITAR officials or trained individuals.
- c. Resources dedicated toward ITAR compliance.
